It's always best practice to verify all documents and review regulations prior to shipping to avoid potential delays.

The Shipper must provide these documents for all cross-border shipments

- Bill of Lading
- Commercial Invoice for Shipments
- Customs Invoice (with Country of Origin)
- The Customs Broker must be stated on BOL or Customs Invoice

These documents must include:

- Shipper's information
- Consignee's information
- Description and value of the freight
- NAFTA Certificate, if available
- Packing Slip
- Customs Broker must be stated on BOL or Customs Invoice
